

- **Minimum space requirements**
- **Maximum flexibility with a variety of expansion options (3.5" HDD or Slimline ODD)**
- **VESA wall mount / monitor holder can be obtained optionally**

This tiny case can be operated both in a horizontal or vertical position, offering great flexibility and connectivity. It combines the compact dimensions of a **Mini-ITX** case with the comfort of a fully loaded PC, with many economical and low-priced components being available. It enables you to build a system with any configuration you are aiming to achieve at reasonable pricing. Additionally this case also has two storage bays for two regular size **2.5" HDDs/SSDs**.
