

- Simple and elegant hair-brush front-panel design
- Flexible use as tower or desktop
- Great value for the money

The Chieftec UE-02B is a great value-for-money solution to build a slim mATX mini-Tower or desktop system. A simple yet elegant front panel with hair-brush design ensures the case is scratch and fingerprint resistant.

As a standard feature, this case is equipped with a **250W SFX** power supply and is ideal for a quiet office or home PC at an attractive price point for system builders or DIY enthusiasts.
